SUMMARY

Full Stack Developer building responsive web applications with React, Next.js, TypeScript, Node.js, and Express. Hands-on industry experience through QUT's industry capstone with The Guinea Group, alongside personal projects in music playback, resume editing, and file transfer.

TECHNICAL SKILLS

Frontend: JavaScript, TypeScript, React, Next.js, HTML, CSS, Tailwind CSS

Backend: Node.js, Express, REST APIs, WebSockets, Python

Databases: MySQL, PostgreSQL, SQLite, MongoDB, Redis

Tools: Git, GitHub, Docker, Figma, Agile/Scrum

PROFESSIONAL EXPERIENCE

Full Stack Developer (Industry Capstone)

The Guinea Group / Queensland University of Technology | Feb 2024 - Nov 2024 | Brisbane, Australia

- Completed an industry capstone in a four-person team for The Guinea Group, building a confidential research platform with React, JavaScript, and Tailwind CSS.
- Built authentication, survey selection, embedded video playback, and response interfaces.
- Contributed to Express and MySQL features for participant data, survey management, reporting, and exports.
- Worked with Docker and Python services supporting multimodal research workflows; collaborated through Agile planning, weekly client meetings, and supervisor reviews.

PROJECTS

TubeParty (GitHub) | Next.js, TypeScript, Node.js, Express, WebSockets

- Developed a Discord music bot and responsive dashboard with sign-in, shared queues, playback controls, saved favorites, and live WebSocket updates.
- Added music discovery using the current song, favorites, and listening history, with cached recommendations and fallback searches.

Linkfolio (Case study) | React, Vite, Tailwind CSS, Express, SQLite, PostgreSQL

- Built a resume and portfolio builder with editable templates, document import, live previews, public portfolio pages, messaging, and analytics.
- Used shared professional content across resumes and portfolios, with an Express API, SQLite storage, and PostgreSQL support.

SendBook (Live demo) | Next.js, TypeScript, Redis, Vercel Blob

- Account-free ebook transfer app with QR pairing or a four-character code, short-lived sessions, and automatic file cleanup.
- Validates session tokens, file extensions, and upload size before accepting files.

EDUCATION

Information Technology studies (Computer Science)

Queensland University of Technology | Jul 2023 - Dec 2024

Pearson BTEC Level 5 Higher National Diploma in Computing

GUSTO College | Awarded Sep 2022 | Distinction.
